

LOCKDOWN POLICY

Statement of intent

Roundabout Pre-School recognises the potentially serious risks to children, staff and visitors in emergency or harmful situations.

On very rare occasions it may be necessary to seal off Newlathes Primary School and Roundabout Pre-School so that they can not be entered from the outside. This will ensure that pupils, staff and visitors are safe in situations where there is a hazard in the school grounds or in the near vicinity. A lockdown is implemented when there is serious security risks of the premises due to, for example, near-by chemical spillage, proximity of dangerous dogs, serious weather conditions or attempted access by unauthorised persons intent in causing harm/ damage.

In January 2016, NaCTSO (National Counter Terrorism Security Office) provided the following advice to leaders of schools and other Educational Establishments for Reviewing Protective Security:

Bomb threats: Procedures for handling bomb threats

Most bomb threats are made over the phone and the overwhelming majority are hoaxes, made with the intent of causing alarm and disruption. Any hoax is a crime and, no matter how ridiculous or unconvincing, must be reported to the police. Be alert, but not alarmed!

On receipt of a "bomb threat" - Dial 999 and police will respond. You should always consider their advice before a decision is taken to close or evacuate.

Communication with parents

If necessary parents will be notified as soon as it is practical to do so via the pre-school's established communication network – website/ text message / telephone.

Suggested wording for message to parents:

Due to an incident we have been advised by the emergency services to secure the premises and stay put until we are given the 'all clear'. Please do not attempt to collect your child until it is safe to do so. We will let you know as soon as we are able when that is likely to be.

In the meantime we need to keep our telephone lines clear and would appreciate your cooperation in not calling unless it is absolutely vital that you speak to us.

Depending on the type and severity of the incident, parents may be asked NOT to collect their children from the pre-school as it may put them and their child at risk. Children will not be released to parents during a lock down.

Parents will be asked not to call school as this may tie up emergency lines.

If the end of the day is extended due to the lock down, parents will be notified and will receive information about the time and place children can be picked up from staff or emergency services.

A letter to parents will be sent home as the nearest possible day following any serious incident to inform parents of context of lockdown and to encourage parent to

reinforce with their children the importance of following procedures in these very rare circumstances.

Lockdown drills

Lock down practices will take place a minimum of once a year to ensure everyone knows exactly what to do in such a situation. Monitoring of practices will take place and debriefed to staff so improvements can be made.
